Downtown L.A. continues to experience exponential growth in a variety of sectors. Residential and commercial construction activity is moving at a furious pace. Investment overall in DTLA continues. However, many questions still remain. How will Measure S (Neighborhood Integrity Initiative) threaten this growth? What will Measure JJJ implementation mean for development projects going forward? Will we see a slowdown in foreign investment in the region? How will the new Administration in D.C. impact Los Angeles? Join us and our esteemed panel to hear the outlook for the year ahead on these issues and more.

Speakers:

**Sonnet Hui**, Executive Project Director, Hazens Group/Jia Yuan, Co.  
**John Readey**, Development Associate, Trammell Crow Residential  
**Dr. Christopher Thornberg**, Founding Partner, Beacon Economics (Moderator)
